VT701 Lightweight Headworn

VT701 Lightweight Headworn

The VT701 is a superlight and very thin headworn microphone ideal for event production, public speaking and broadcast studio operations. The sound is clear and natural.

The cable is smooth, rugged, sweat proof and has excellent isolation from rubbing noise.

Designed to fit any head contour (head size changeable and adjustable and microphone for left or right side), the performers are free to focus on their performance! Detachable cable for easy handling.
